*Weequahic High School
Newark, New Jersey
John F. Tonero, Principal
Legend 2010 vol. 76*

Our Principal J. F. Toner

To the Class of 2010,

Soon you will be graduating and embarking upon the next phase of your life. You are probably experiencing some of the emotions associated with graduation. Excitement, anxiety, fear, joy, inquisitiveness, and fulfillment are only some of the words that can describe how you may feel as graduation approaches.

Graduation is also referred to as commencement, which means a beginning. Beginning anew raises many questions. What will I be doing next September, when I would usually be returning to school? Will I be attending a new school and what will I be studying? Will I be working and what kind of job will I have? In what direction will my life be going?

You will overcome your anxieties and things will fall in place. Your parents, teachers and guidance counselors will help you to gain the confidence to make sound decisions about the months and years ahead. The anxiety, fear and inquisitiveness will dissipate as you submit your college applications or make connections with future employers. You will experience a sense of fulfillment as you complete your final academic requirements and celebrate at your prom.

Finally, graduation day will arrive and you will have the opportunity to gather with family, friends, classmates, teachers and administrators to celebrate your accomplishments. You will be awarded your high school diploma which will formally acknowledge that you have successfully completed your secondary course of study.

I hope that you, the Class of 2010, remain focused, pursue your dreams, reach your lifelong goals, cherish family and friends, attain happiness and self- fulfillment and freely give of yourself to your community and those in need. God bless all of you!

Your Proud Principal,

John F. Toner

First, I would like to start by saying congratulations to the Senior Class of 2010. It's been four long years, but you've made it. Now you are closing the second chapter of your life's work. The third chapter begins the moment you walk across the stage. As you move on through life, don't ever forget what you've learned here at WHS. Always remember that you are welcome to come back. When you do come back, share your new experiences with those who are coming behind you. We have lost loved ones who cannot move on with you during your journey. Take their memories with you. You now belong to a fraternity of Weequahic Indian Alumni. Make us proud, IP!

Mr. Morse,
Vice Principal

Dear Class of 2010,
All of those lessons learned and memories made here at Weequahic High School are already printed on the pages of your life and will profoundly impact your future. Thus, it is imperative that you remember to apply these fundamental lessons to the decisions you make in your adult lives. If you will, turn to the first page in which the lessons instilled in you is paramount. "To exercise good character daily is to be morally firm for life." Always remember "It is good to have an end to journey toward, but it is the journey that matters in the end."

Warmest Wishes,
Ms. Shirland, Vice-Principal

To the Class of 2010,

It is with warm regards that I wish you well on your future journey. Know that this is a new beginning and not simply the end. Wherever your life may lead, know in your hearts that Weequahic High School has provided you a foundation of wisdom and knowledge to carry you forth. It is with sincere pleasure that I have had the opportunity to meet and get to know each and every one of you. You will be missed. But, more importantly, you will be the ones to whom the next class aspires to be. The rigor to which you have been subject to here at Weequahic has not been in vain. It has been in preparation for the lifelong learning that awaits you. May your higher spirit continue to lead you in your journey.

Terrane Polnitz,
Vice Principal

A large group photograph of students and faculty members posing on bleachers in front of a school building. The group is arranged in many rows, with some individuals standing on the bleachers and others on the ground in front. The building in the background has a brick facade and blue-framed windows. Two smaller inset photographs are visible in the upper left corner, showing smaller groups of people.

The After Hour Spot at WHS!

Credit Recovery 2010

A Ski Trip was awarded to those Seniors who passed both parts of the HSPA, a state test needed to graduate from High School. The experience was exhilarating! Most of us didn't even know how to ski or snowboard at first. I promise you, we fell many more times than we could count, but in minutes we were getting better. In one day, some of us managed to make it down that crazy hill without falling. If you ever plan to ski or snowboard... learn to stop first!!

If you were to ask any teacher at WHS how many times a cell phone is pulled out during their class, the number may astound you. There are at least 10 confiscated cell phones per day, due to teen urges to text during class! Many students, however, have noted that texting is like second nature to them and a huge part of their daily routine. Teachers believe that no text message is important enough to disrupt class...

REVIVAL OF A RIVALRY

Indians Walk the Dogs

Weequahic's return to its historic Thanksgiving Homecoming game against Shabazz, in what is affectionately known as the "Soul Bowl", made for the game of the year. Thousands of WHS alumni flocked to Shabazz's football field to give support and were not disappointed as the Indians walked the Bulldogs across their own field.

*So hard to beat an
Indian...*

42-6

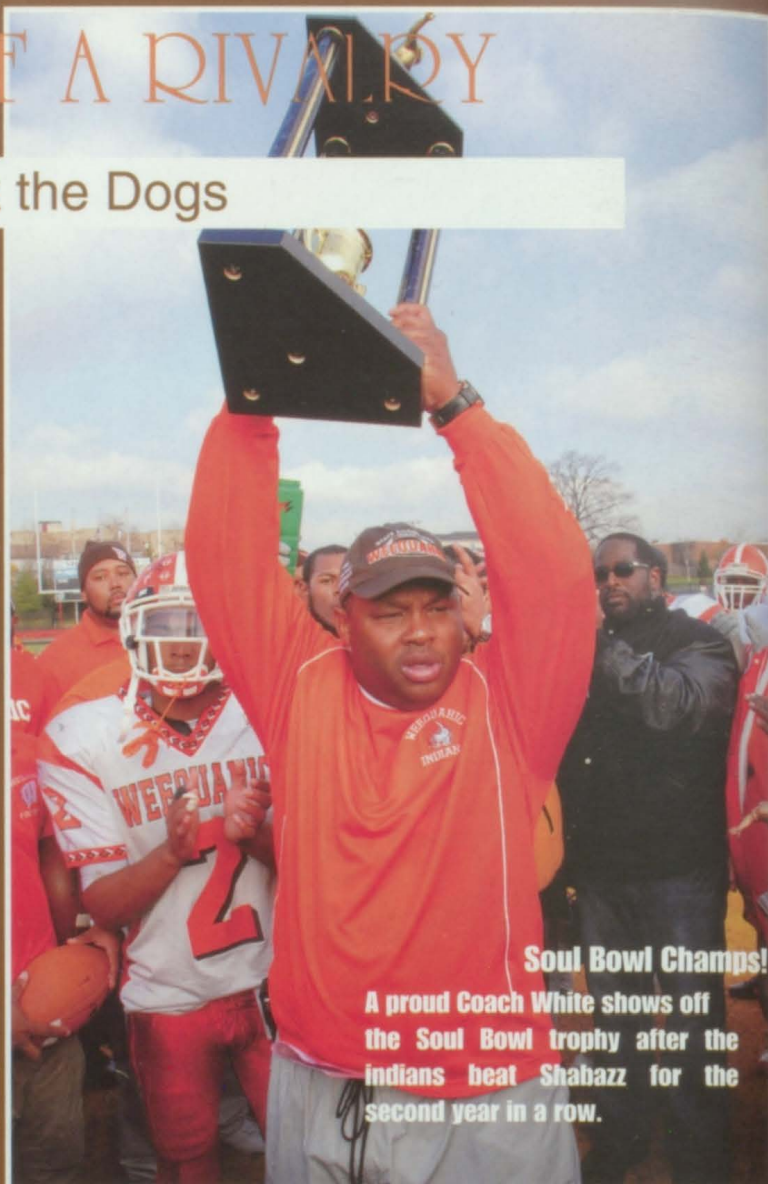

Not only did the football teams take the field, but each school's respective band showcased their skills, with many alumni returning to play for the WHS band again. Some flag twirlers were from as far back as classes of the '80s. Weequahic's usually small band became one of the largest we've seen in many years! As they took the field for the game's opening performance, the horns and strong drum beats could be heard for miles and the audience loved it all!!!!

Jahleel McMillan, 4

Senior Jahleel McMillan's catch in the end-zone makes for another touchdown!!

Jovan McKoy and Will Durette celebrate after Jovan's 47 yard touch down catch to give the Indians a 14-6 lead!

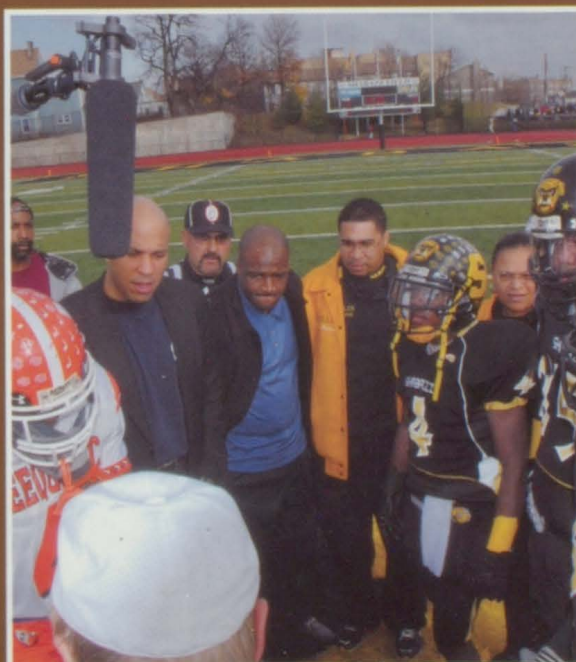

The Alumni, Student and Staff support was a true sight to see. There wasn't an empty seat on the Weequahic side of the stadium. The sea of Orange and Brown was more than enough support. Some Weequahic memorabilia was sold by the graduating class of 2010. This game marked the renewal of a 30 year old tradition that we hope will continue for many years to come.

GO
INDIANS!!!

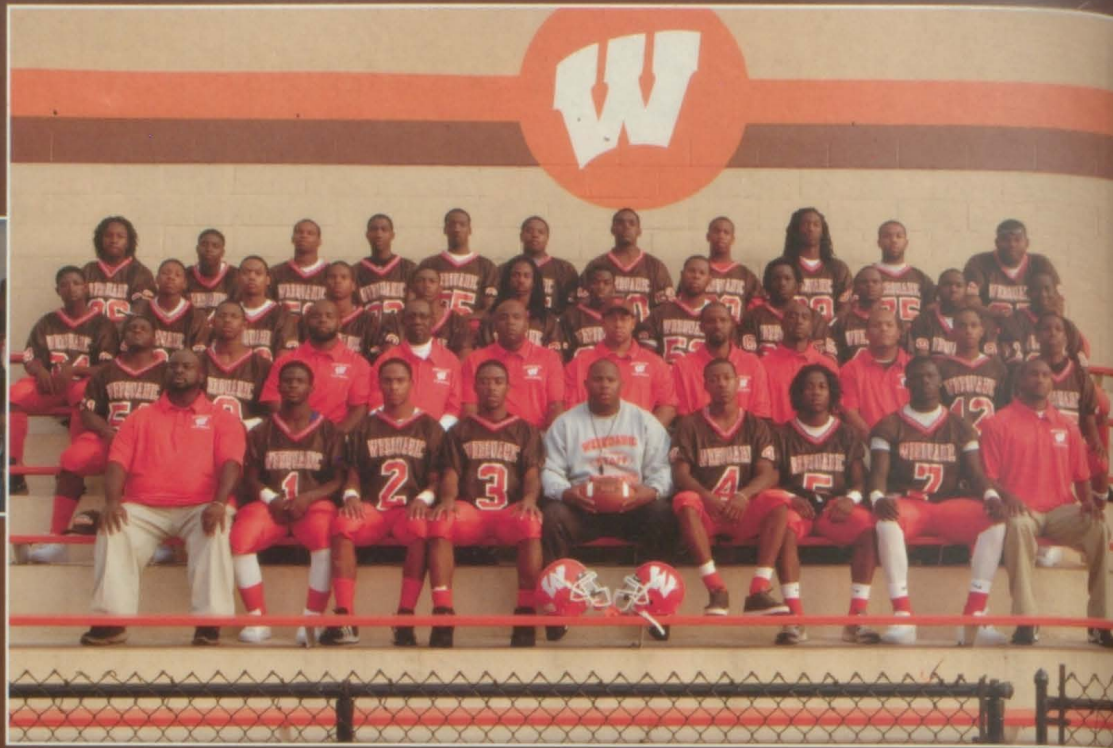

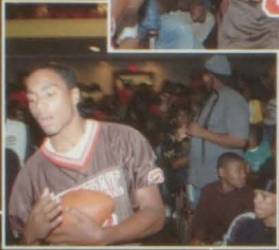

During halftime, the band is awarded a check for five hundred dollars towards all necessary equipment. Band Director Mr. Page and two of our lovely flag twirlers are shown with the check.

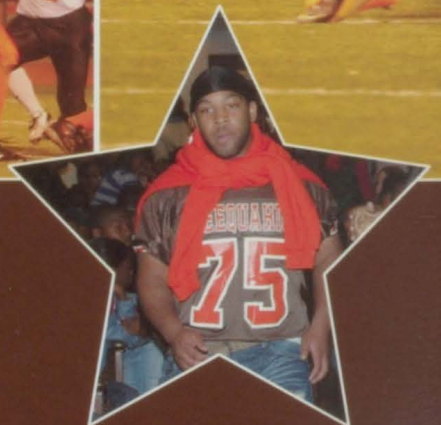

Mayor Cory Booker tosses the coin to see which team will get the ball first in the opening play.

INDIAN PRIDE!!!

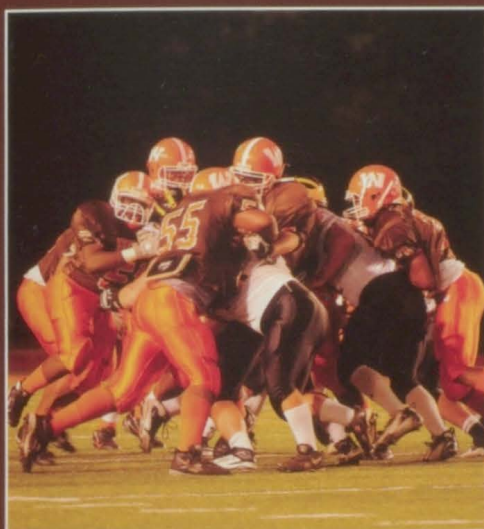

Our football teams' dedication has truly been recognized, and their hard work during the season did not go without notice! The WHS football team only recruits the best!

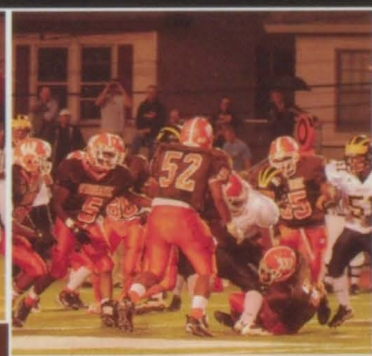

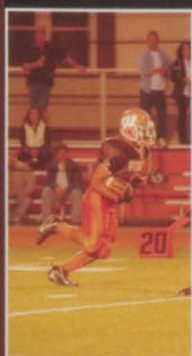

"One word that described this year's team is 'IDENTITY'. We had some key injuries and some heart -breaking losses in our WHS Indian family. However, we stayed strong as a Team. We didn't make excuses, we made the best of our season. Unfortunately, we didn't end up as state champions, but we found our identity—'HEART'- and accomplished something just as good....Saved Lives!

Kickin' It At WHS

...Let's make a Goal!!...

The soccer team has improved immensely, not specifically in winning games, but psychologically.

Yes! It's true that the team has been placed in a different division this year with less ranked opponents. However, a win is a win! The team was successful in six out of sixteen division games scheduled. In our division are eight high schools. We played each of those high schools twice, defeating University High School, Lincoln High School, Arts High School, and Technology High School. We were able to compete on a higher level due to the help of these players (Senior) Osa Yuwa Osifo, (Freshman) Andrew Geker, (Sophomore) Shaquille Henry, and a few others.

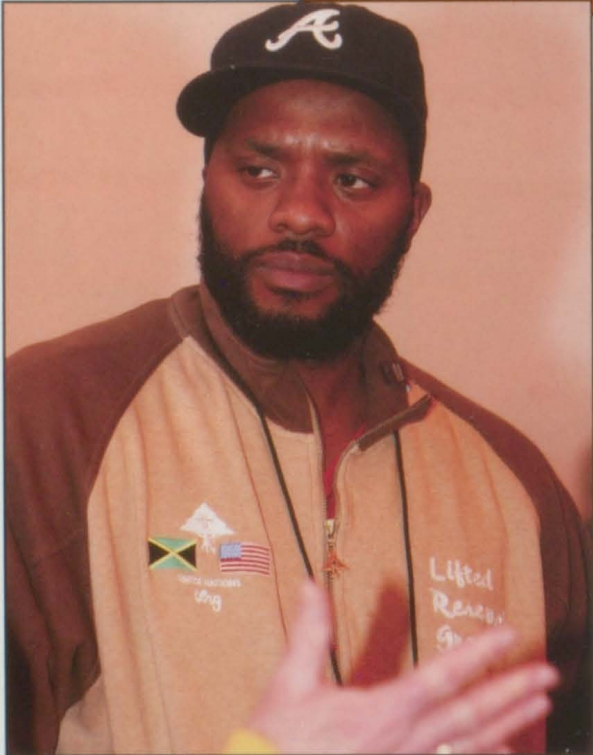

WINS: Weequahic (3) vs Lincoln(2)
Weequahic (5) vs Arts(1)
Weequahic(3) vs University (2)

Coaches: Ms. Gray and Ms. Cureton

The score sheet may not have reflected the potential of the girls' volleyball team, but once you heard "Serve it up Shavonne, Serve it up" (clap, clap) and saw Sheena drop low and Tanaya and Iman guarding the net, you knew the Indians were ready to put up a fight. Knowing there was hope when Dominique's mom was yelling from the sidelines, made the team get focused and give their all. Where would the team have been without Kianna, the player who would never surrender, regardless of the score. The games were serious and competitive, but there was always time to laugh when Nideeyah went flying through the air trying to get the ball. Weequahic High School's Girls' Volleyball team has come along way and still has bridges to cross, but the girls on the 2009-2010 team have definitely raised the standards. IP!

Wrestling Team

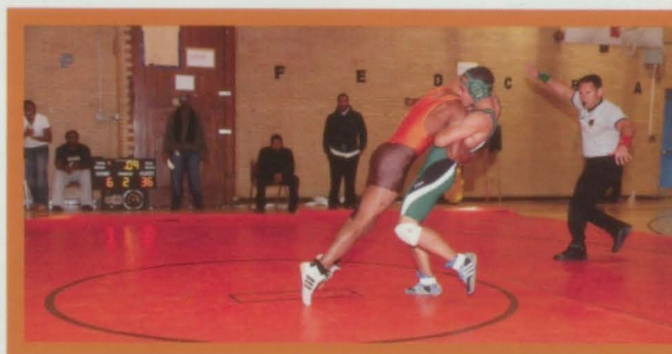

During my two years of wrestling, I saw my team pull out wins and I saw them lose, but through it all we stayed strong and held it together. The wrestling team at WHS is more than just a team, we are a family. Our family faced many problems and had to overcome greater obstacles!

"I had a good three years with the Indians. Not only did I become a good ball player, but it also helped me to mature as a man. We are not just a team ,we are a basketball program." D. Smith (a.k.a. Day Day)

To the upcoming Weequahic Indians we say, work hard because it will pay off. Work on your game at all times. Go to practice everyday. Develop team chemistry. Be dedicated. Although we went through our struggles this season, we were still able to develop maturity, a sense of pride and become a family too.

When Tomorrow Starts

When Tomorrow starts without me,
And i'm not there to see.
If the sun should rise and find your
eyes all filled with tears for me.

I wish so much you wouldn't cry
the way you did today.
While thinking of the many things
we didn't get to say.

I know how much you loved me,
as I love you .
And each time that you think of me,
I know you'll miss me too.

Without Me.....

But when tomorrow starts without me
please try to understand,
That an angel came and called my
name and took my hand.

She said my place was ready
in heaven far above.
And that I'd have to leave behind,
All those I dearly love.

So when tomorrow starts without me,
Don't think we're apart.
For every time you think of me,
I'm right here in your heart.
